Board Chair Dean C. Colson convened the meeting of the Florida International University Board of Trustees at 1:50 PM on Thursday, February 23, 2023.

General Counsel Carlos B. Castillo conducted roll call of the Florida International University Board of Trustees and verified a quorum. Present were Dean C. Colson, *Board Chair*; Roger Tovar, *Board Vice Chair*; Cesar L. Alvarez; Jose J. Armas; Deanne Butchey; Natasha Lowell; Cristhofer E. Lugo; Gene Prescott; Chanel T. Rowe; and Marc D. Sarnoff.

Trustee Carlos A. Duarte was excused.

Board Chair Colson welcomed all Trustees and members of the University administration and the University community accessing the meeting via the webcast.

Board Chair Colson shared the following books with the Board of Trustees: *Waiting for Snow in Havana: Confessions of a Cuban Boy* by Carlos Eire and *Cuba: An American History* by Ada Ferrer. Board Chair Colson also shared a sample of the FIU Sunblazer Golden Ale with the Trustees and added that the Sunblazer ale will debut at the 2023 Food Network South Beach Wine & Food Festival presented by Capital One (SOBEWFF®). Board Chair Colson thanked the Chaplin School of Hospitality and Tourism Management for the SOBEWFF gift bag.

Board Chair Colson indicated that Florida's constitution clearly provides the authority to the Board of Governors "to operate, regulate, control and be fully responsible for the management of the whole university system." He added that the State University System of Florida (SUS) did not become number one without the active support of the Florida Board of Governors (BOG), Legislature, and Governor's office. Board Chair Colson mentioned that, lately, there has been a lot of discussion about tenure, curriculum, political indoctrination, and the teaching of certain courses and/or political theories. He stated that FIU has been and will remain focused on becoming a top ranked public research institution. He commented that if the University receives new directions and priorities from the BOG, FIU will respond and react as it has done in the past. He stated that FIU will continue to serve its very diverse community in a manner that reflects the very best of what a public higher education can offer. Board Chair Colson mentioned that FIU can provide the protections certain leaders are worried about today without compromising the academic freedom that is the foundation of our universities.

Board Chair Colson pointed out that the University does not provide sex reassignment treatment. He commented on FIU's response to the recent data request from the Governor's office regarding their inquiry on gender dysphoria and whether any of the Florida public universities provides or has provided sex reassignment treatment and noted that FIU did not disclose any patient health records. He indicated that, to the extent that FIU provided any data, it was limited to numerical information and that said information did not include any patient health records nor any personal identifying information. Board Chair Colson acknowledged that FIU students were currently protesting regarding the issues he mentioned earlier and added that said protest is part of the state-wide protest.

Board Chair Colson commented that, on January 24 and 25, 2023, FIU hosted the BOG and that with very little notice, Trustee Gene Prescott was able to provide lodging and the FIU teams worked tirelessly to ensure that said meetings ran smoothly. Board Chair Colson pointed out that the Board's responsibilities include periodically assessing the performance of the Board, its committees, and its members. He added that each Board of Trustees member received an electronic survey to evaluate the Board's performance and understanding of its responsibilities and expectations. Board Chair Colson noted that a 100% response rate has been received, which demonstrates full compliance with this Southern Association of Colleges and Schools Commission on Colleges requirement. He stated that the survey results will be shared at the Board's April meeting. Board Chair Colson remarked on the upcoming FIU Day to be held on Wednesday, March 22, 2023 and encouraged Trustees to participate.
